NSX Get Together!

Sponsored by Buerkle Acura and www.NSXBuilder.com

June 18, 2005

Thanks for coming out!

This event is hopefully the first in a long line of NSX Get Togethers! It lets us meet new people, helps put faces to the names from NSXPrime (elite, ktan, nsxbuilder, grimm, raven, maynard, newby and more!) and lets us enjoy the beauty of a gathering of our NSXs. Is there anything better?

Elite Autosport are your import performance specialists! We can provide all your aftermarket performance parts at competitive prices, expert tuning and building of custom forced induction systems and offer complete dyno services. Our hours are 10am - 7pm Monday - Friday.

The team over at Buerkle Acura can provide all your OEM Acura/Honda parts and expert factory installation. They offer the full line of new and used Acura cars and some of the best customer service in the industry. You need your scheduled service done? Factory oil filters and crush washers? Anti-lock brake system flushed? Call the guys who have the goods!
